It is stated that the amounts in question are being shown at the beginning of the year in full in advance and are being admitted in audit, except the grant to the Ashakta poshaka Sabha which is being paid in monthly instalments.

2 The amount of Grants in aid raised from 1000 to 500 and it is for consideration whether there may not be objection to be paid in monthly instalments as in the case of the Ashakta poshaka Sabha which gets Rs 1000/- as payment at the close of the year may not be advantageous to the Institutions.

OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE

Dated Bangalore,....12th November *193* 4

From

The Muzrai Commissioner in Mysore.

To

The Comptroller to the Government of Mysore,
BANGALORE.

Sir,

With reference to the Chief Secretary's letter No.632/Muz.83-34-2 dated 27-10-34 re: the procedure to be adopted in drawing the grants from Petit and Savings Fund for the relief of the destitutes and infirm I have the honour to state that the undermentioned institutions are in receipt of grants-in-aid from the Chattram Savings Fund.-

(1) Home at Chickmagalur.
(2) do. Chitaldrug.
(3) do. K o l a r.
(4) Cunamba Maternity, Mysore
(5) Jain Girls Child Welfare Trust, Mysore.
(6) Ashakula Poshaka Sabha, Bangalore.
(7) Labourers' Fellowship Settlement, Bangalore.

2. There is no difficulty in adopting the procedure proposed by you as regards items 6 and 7 as both of them are situated at Headquarters, and payments can be made on pre-audited bills. As regards the remaining five which are situated in mofussil places, the procedure is not only inconvenient but also entails considerable delay, in as much as monthly bills have to be obtained from the authorities concerned, countersigned by me and audited by the Comptroller and a R...R. obtained for the amount from the State Huzur Treasury. Besides, it throws much additional work and unnecessary responsibility on this office. If, however, the drawing of the full amount of the grant in advance and paying it to the institutions concerned is considered objectionable from the audit point of view, I would have no objection to placing the grants at the disposal of the Deputy Commissioners concerned, who may be authorised to countersign the monthly bill and make payment after satisfying themselves that the institution continues to work
